## Holmen Hertsi

### **Fruity berries · Chocolate · Hazelnut**

Holmen Hertsi, our neighbourhood coffee was made out of love for our hood and its people. A mixed bunch! Hertsi is made out of different beans from central America, all from farms with ethical approaches and pioneers in sustainability. With love for nature and its products. In the taste, you can find notes of orange, cherry, dark berries, chocolate and hazelnut. And that's why we called the coffee Hertsi, the nickname for Herttoniemi and Finnish version of the german word Herz, as the heart ♥ Enjoy!

### **ベリー・チョコレート・ヘーゼルナッツ**

「環境へ配慮しながら栽培するコーヒー農家や農園で働く人たちからのたくさんの愛を注がれて出荷されたコーヒーを、フィンランドで真心こめて丁寧にロースト。中央アメリカの異なる生産地の多品種の豆を独自のレシピでブレンドすることで、フルーツ、ナッツ、チョコレートのそれぞれが調和した奥行きのある味わいが実現しました。どこにも真似できない唯一無二の味をお楽しみください！」
