Inês Vinci is the granddaughter of Italian immigrants who came to Brazil to work in coffee. In the footsteps of her grandparents Inês went about perfecting the coffee farm and its processes. She has dedicated herself to producing only coffees of high quality.

Kahiwa is all about roasting exceptionally great coffees that are based in sustainable business. We believe that buying our coffees as straight from the farms as possible with a fair price, we are not only supporting the farmers in economic terms, but also enabling them to pour out their passion to the coffee.

このコーヒーの作り手、イネス・ヴィンチ氏はコーヒー栽培に従事するためにブラジルにやってきたイタリア人移民の孫娘。イネスは祖父母の足跡をたどって、最高品質のコーヒー生産に専念し、コーヒー精製プロセスの完成に取り組みました。私たちKahiwa ロースタリーは、イネスの作るサステイナブルなコーヒーを焙煎することに全力を注いでいます。農場からできる限り公正な価格でコーヒーを購入することは、農家への経済的支援となるだけでなく、農家をもっとコーヒー生産へ情熱を注げるようになるサポートにもなると信じているのです。
