

SLURP original dark espresso #146

Costa Rica Dark

Cocoa · Fruity · Dark chocolate

Coope Agri R. L. COOPEAGRI was established in 1962. Today this cooperative embraces over 8,000 members and is still growing. Most of the coffees are produced on farms that are only 1.3 hectares in size. All in all, COOPEAGRI reaches 35,000 farmers, workers and their family members. The quality of the coffees coming from this cooperative has improved year by year, and is now one of the main specialty coffee producers in Costa Rica.
