## Zambia Red Cherry Gold

**Luumu · Voi · Uuniomena**

Teija Lublinkhof, yksi Record Coffee Companyn omistajista on asunut Sambiassa jo 21 vuotta. Hän pyörittää omaa paahtimoaan, konsultoi raakakahvien hankinnassa ja työskentelee African Fine Coffee Associationissa (AFCA). AFCAssa hän toimii Taste of Harvest -kilpailujen päätuomarina. Tämä kahvi on voittanut Sambian Taste Of Harvest -kilpailun vuonna 2019. Sen voinen suutuntuma ja luumuaromit tekivät kilpailussa vaikutuksen tuomareihin. Me Record Coffee Companyssa olemme onnellisia voidessamme vihdoinkin tarjota sambialaista erikoiskahvia valikoimassamme.

## Zambia Red Cherry Gold

**Plum · Butter · Baked apple**

One of Record Coffee Company owners, Teija Lublinkhof has been living in Zambia for 21 years. She also runs her own roastery there, does green coffee consulting and works for African Fine Coffee Association (AFCA). In AFCA she focuses on Taste of Harvest competitions as a judge and head judge. This coffee is the winner of Zambian Taste Of Harvest 2019. It's buttery mouthfeel and notes of plum really impressed the judges. We at Record Coffee are happy that we are finally able to offer rare Zambian specialty coffees in our selection.
