Brazil Fazenda California

Chocolate · Caramel · Almond

In 2004, the Saldanha family acquired the Fazenda California farm, located in the city of Jacarezinho. Luiz and his wife, Flavia began developing the farm with a vision to produce exceptional coffees that would allow people to experience Brazilian coffee with a new perspective. They found their surrounding microclimate to offer a very unique platform to cultivate coffee. The farm is located on the tropic of Capricorn, world's southern borderline for specialty coffee production. Colder temperatures, volcanic soil and four well defined seasons with good distribution of rainfall enable them to produce truly exceptional Brazilian coffee. Through passion and hard work Luiz and Flavia have raised Fazenda California to produce Brazil's best coffee, that has already won multiple prizes including the highly valued Cup Of Excellence. We roasted this to work especially well as a dark filter coffee. We find a delicious chocolate flavour with notes of sweet caramel and almonds in this coffee. Enjoy!

Brazil Fazenda California

チョコレート・キャラメル・アーモンド

「2004年、Saldanha一家は、JacarezinhoにあるFazenda California農園を手に入れました、Luiz妻のFlaviaは、ブラジルのコーヒーの新たな一面を人々に楽しんでもらえるよう、格別なコーヒーを生産するという目標を掲げ、コーヒーを農園を始めました。二人は、周囲の微気候がコーヒー栽培にとっても独得な土壌を作り上げていることに気づきました。それもそのはず、農園はCapricornの回帰線上、スペシャルティコーヒーが栽培される地域の南境に位置していたのです。寒めの気温、火山性土、そして降雨を含むはっきりとした四季が、特別なブラジルコーヒーの栽培を可能にしたのです。パッションと惜しみない努力で、LuizとFlaviaは、FazendaCalifornia農園を、ブラジルで最高のコーヒーを生産する農園へと成長させました。彼らのコーヒーは、これまでに何度も、最も名高いCup Of Excellenceを含め、数々の賞を獲得してきました。Kahiwaでは、持続可能なビジネスと、農家との長期的な関係を前提に、格別においしいコーヒーを焙煎することにこだわっています。」
