

SLURP original dark espresso #162

Fazenda Batalha

Chocolate · Nuts · Roasted sugar

The result of the soil of Brazil and the natural-processed Mundo Novo variety is an extremely smooth, nutty and chocolatey experience. We use this coffee both as an espresso and as a filter coffee at our café. In the Minas Gerais region, Cerrado Mineiro area in Brazil there is a town called Araguaçu. The farm of Gildo Mantuan Neto, Fazenda Batalha, is located close to it. The crops of Batalha are stable and homogenous from one season to the next. This special roast we have made for Slurp is dark, but not burnt or roasty

SLURP original dark espresso #162

Fazenda Batalha

チョコレート・ナッツ・トーストした砂糖

今回お届けするコーヒーは、ブラジルの肥沃な土壌で育ったナチュラルプロセスのMundo Novo品種。口当たりが非常に滑らかで、ナッツやチョコレートの香りをお楽しみいただけます。深煎り焙煎ですが、ロースト感が強すぎず、飲みやすい味わいとなっています。Makea Coffeeロースタリー併設のカフェでも人気の一杯で、フィルターコーヒーにも、エスプレッソにもぴったりです。農園は、Minas Gerais地域のCerrado MineiroエリアにあるAraguaçuという町に位置し、安定したクオリティーで有名です。
